UNHEALTHY EXPECTATIONS

EVERY LEAD WILL BE SOLID - UNHEALTHY

EVERY LEAD WILL BE EASY TO DEAL WITH
- UNHEALTHY

THESE ARE UNHEALTHY EXPECTATIONS

HEALTHY EXPECTATIONS LOOKS LIKE THIS

10 ON FIRE PEOPLE FOR JESUS GIVING BIBLE STUDIES

An Unhealthy Expectation is thinking you can get 100 people who are lukewarm to go out and tell others about Jesus. There will be no excitement.

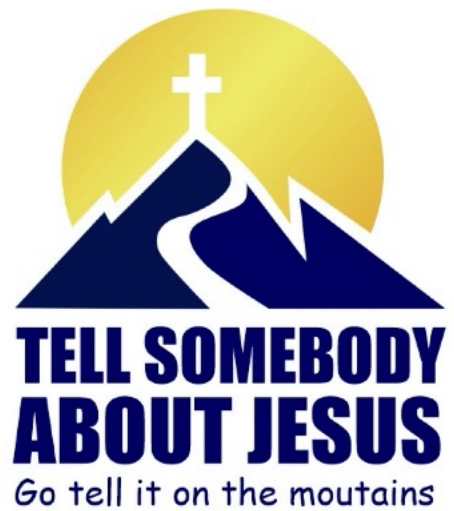

People are not looking for friendly anymore. They are looking for friendships. Real genuine friendships.

We must duplicate Jesus.

Psalm 136:4

Psalm 136 (I:SDB): 4 To him who alone
doeth great wonders: for his mercy
endureth for ever.

In the work of the gospel the Lord uses different instrumentalities, and nothing is to be allowed to separate these instrumentalities. Never should a sanitarium be established as an enterprise independent of the church. Our physicians are to unite with the work of the ministers of the gospel. Through their labors, souls are to be saved, that the name of God may be magnified....

God did not design that the medical missionary work should eclipse the work of the third angel's message. The arm is not to become the body. The third angel's message is the gospel message for these last days, and in no case is it to be overshadowed by other interests and made to appear an unessential consideration. When in our institutions anything is placed above the third angel's message, the gospel is not there the great leading power.—
Testimonies For The Church 6:235–241 (1900).

Come Close to Suffering Humanity—Christ has left us an example, that we should follow in His steps. He always drew near to the most needy, the most hopeless, and, attracted by His sympathy, they came close to Him. He assures every suffering, needy, sinful soul that he will never want for a great Physician to give him spiritual help. We stand too far away from suffering humanity. Let us draw nearer to Christ, that our souls may be filled with His grace, and with a desire to give this grace to others.—Letter 17, 1903

Gospel missionary work is to be carried forward, not in the precision of one man's lines, but in Christ's lines. All that is done is to bear the impress of the Holy Spirit. We are to work as Christ worked, in the same practical lines. Then we shall be safe.

The divine commission needs no reform. Christ's way of presenting truth cannot be improved upon. The worker who tries to bring in methods that will attract the worldly minded, supposing that this will remove the objections that they feel to taking up the cross, lessens his influence. Preserve the simplicity of godliness.—Letter 123, 1903.

Allow the Holy Spirit to convict.
Don't go ahead of the word.

We are living in Post Modern
Christian Society.

Most people are un-churched under the age of 30. Many of them don't know the difference in Saturday or Sunday.

Christ's ambassadors have nothing to do with consequences. They must perform their duty and leave results with God. GC 609.1

So number 1. Pray for the Holy Spirit

2. Pray for your leads.

3. Always look for new leads to share the gospel.

4. Each Lead can bring multiple leads.

4. Each Lead has family and friends they are willing to invite to events if they trust you.

5. We have to constantly live like Christ and not know a stranger. We need to show that love to everyone we can.

6. Teach/Bible Studies and Small Groups

7. Invite, ask, and pray pray pray!

Be Honest and Be yourself. People will see right through you today.

We are competing with many other avenues of content, we must be precise, bold, and prepared to share the Gospel with Conviction and Love. They have to trust us before we can ever do this.

Being a Bible Worker and witnessing in today's culture is realizing that in order to effectively share the Gospel you need to build a real relationship. This will take time, patience, prayer, and genuine persistence.
